Robinson & Cole Supports the Village's SHARE Summer Program with a \$5,000 Donation

Hartford — July 23, 2007 — The law firm of Robinson & Cole recently donated \$5,000 to the Village's Summer Healing, Academics, Recreation and Enrichment Program, also known as SHARE. This donation will allow the Village to continue serving the children throughout the summer months.

SHARE provides academic support, behavioral health programming and therapeutic recreation to the children enrolled. Cessation of academic work during the summer can negate the academic gains that the children have made during the school year so the purpose of this program is to provide support and continuity during the summer. Also provided are exciting and enriching recreational programs such as rocket building, therapeutic drumming and group trips to local amusement sites.

Robinson & Cole's Managing Partner Eric Daniels and Partner David Hadden, Chair of Tax Exempt Organizations Practice Group, presented the \$5,000.00 contribution to Dr. Galo Rodriguez, CEO of the Village for Children and Families, Inc and Francesca Borges Gordon, Vice President of Development.
