**Robinson & Cole Welcomes Summer Interns from Boys & Girls Club of Hartford**

**Hartford** — August 6, 2007 — Robinson & Cole is pleased to announce the summer internships of four high school seniors from the Greater Hartford area. The students will be working at the firm throughout the summer providing support to various administrative departments such as Human Resources, Office Services, Library and Records.

Robinson & Cole works together with the Boys and Girls Club of Hartford to provide an internship opportunity to high school age youth in the area. The internship involves the youth interns being coached on completing a job application and interviewing and then working in the firm during the summer. The internship exposes the youth to what it is like to work in a corporate environment and provides mentoring by attorneys and staff in the firm. This year's three summer interns from the Boys & Girls Club of Hartford are Ashley Crawford, Emmanuel Simpini and Elizabeth Figueroa.

The firm is able to accomplish this largely through Lisa Boyle, partner and co-chair of the firm's Health Law Group, and her involvement with the Boys & Girls Club of Hartford. "This is the first year we have worked with the Boys & Girls Club of Hartford to provide high school students with practical work experience. Their presence at the firm has been a wonderful experience for both the students and attorneys and staff of the firm," comments Boyle.
