

WEBINAR  
**Labor and  
Employment**

## Unionized or Nonunionized: How Might the NLRB's Recent Activity Impact Employers?

Join us for this webinar to discuss recent National Labor Relations Board initiatives and decisions that affect nonunionized and unionized employers. This session will cover the most recent updates on current federal labor law initiatives and recent National Labor Relations Board decisions. We will discuss and analyze the legislative climate and status of federal labor law revisions as well as provide practical tips for employers to consider, including hot-button issues that could significantly impact operations.
