

## CYBERSECURITY

### [Q3 Coveware Report: Unsettling Update on Ransomware](#)

We spend a lot of time reporting on ransomware because we are seeing more incidents than ever before, and our readers comment that keeping them up to date on ransomware tactics is helpful. The ransomware gangs, strains and vectors are constantly changing, so it is very challenging for companies to keep up with their latest tactics. [Read more](#)

### [Comari Hit with Ransomware Attack](#)

Comari, the Italian drinks company, recently announced that it was hit with a cyber attack that encrypted its data and potentially exfiltrated some data. [Read more](#)

## HIPAA

### [OCR's Tenth Right to Access Settlement Is Small but Meaningful](#)

The Office for Civil Rights (OCR) recently settled a tenth case under its right-to-access initiative with California-based Riverside Psychiatric Medical Group (RPMG), for \$25,000. [Read more](#)

## DATA PRIVACY

### [The Effect of a Biden-Harris Presidency on Privacy in the U.S.](#)

How will a Biden-Harris presidency affect the U.S. privacy landscape? Let's take a look. [Read more](#)

### [Sensitive Personal Information – What Is It and What Does It Mean for California Privacy Rights Act Compliance?](#)

The California Privacy Rights Act (CPRA) expands the definition of personal information as it currently exists in the California Consumer Privacy Act (CCPA). The CPRA adds “sensitive personal information” as a defined term, which means: [Read more](#)

## AUTONOMOUS VEHICLES

### [Walmart and Self-Driving Delivery Cars](#)

Walmart announced that it will begin experimenting with self-driving cars in a pilot program with General Motors-backed Cruise (a tech start-up with electric, self-driving cars) to deliver groceries and other products to neighborhoods in Phoenix, Arizona. The program will launch in 2021. The fleet of cars will use electricity from renewable resources to curb carbon emissions from the operation. [Read more](#)
