Robinson+Cole Continues Growth in Philadelphia and in Managed Health Care Litigation with Addition of Partner Adam J. Petitt

PHILADELPHIA, PA (July 14, 2023) – Robinson+Cole announces the addition of [Adam J. Petitt](#) as a partner in the firm's [Managed Care + Employee Benefit Litigation Group](#). Petitt is a trial lawyer with extensive experience in managed care and particular knowledge in Medicaid and Medicare Advantage programs.

"It's a pleasure to welcome Adam to Robinson+Cole," said [Rhonda J. Tobin](#), Robinson+Cole's Managing Partner. "He brings a depth of expertise and experience that will complement our growing Managed Care practice, and his presence in Philadelphia, New Jersey and New York will further enhance the breadth of services we offer to our clients. Adam joins a Managed Care litigation team that recently expanded by adding partner [E. Evans Wohlforth, Jr.](#) in New York earlier this year, as well as [Ariella J. Ederi](#) and [Rita N. Nerney](#) who recently joined our Boston office. The group, which has grown significantly over the last several years, represents managed care entities in complex matters across the US."

Petitt focuses his practice on representing national and regional health insurers, HMOs, and other managed care organizations (MCOs), third-party administrators, and self-insured plans on a wide array of matters involving the Employee Retirement Income Security Act (ERISA), insurance fraud, False Claims Act and other federal and state fraud and abuse laws, high-stakes reimbursement and network agreement disputes, and provider contracting. Before joining Robinson+Cole, Petitt was the leader of the managed care litigation practice group at Stradley Ronan. He was named a Best Law Firm Mentors 2022 by *The Legal Intelligencer*.

"I'm proud to be able to combine my experience with the well-regarded health care litigation team at Robinson+Cole; and look forward to building upon synergies across the firm to broaden our client service offering." said Petitt.

Continuing on the execution of the firm's strategic plan, Robinson+Cole has seen growth in key metropolitan areas this year. Earlier this year in New York, the firm welcomed [Ze'ev D. Eiger](#) as a partner in the firm's Capital Markets + Securities Team and [Jessica L. Rothman](#) as a partner in the firm's Construction Group. This growth followed the opening of an office last fall in Washington, DC led by patent and intellectual property partner [William Bradley](#).
